Dear Friends and Supporters,

We hope that you and your families and Church's are doing well. We are excited about what God is doing in our lives.

Since our last letter we have had 3 Old Fashioned Tent Meeting's. One in the community of Goshen in our local county, the attendance seemed to be down during this meeting, however God moved in on the preaching and God's Word does not go void.

We never really know the impact of the Ol' Gospel Tent just standing as lost and backslid people ride by and see the Christian Flag waving high. We also had 2 tent meetings in West Virginia, one in Welch and the other on Bradshaw Mountain. It truly is amazing to see the people come out to the Ol' Gospel Tent. We got to be a light into the community and witness to the lost souls. During our Welch tent meeting we had 2 young girls come to the altar to be saved. It's always amazing to me to see how God can work and move. I preached all 3 nights at Welch with the power of God like I have never experienced before, it was so amazing that I can't even describe it. I was a blessing to have my home church come up the last night in Welch and cook hotdogs before the meeting. It was also a blessing to have Bro. Chad Cardwell to go with us during the Welch trip to help us. We also have had the Bogg's Brothers from North Wilkesboro in 2 of our meeting's; the first at Goshen and the other at Bradshaw Mountain to play some Ol' fashioned guitar and banjo music. Due to an illness they were unable to go to Welch with us this time.

Please continue to pray for our ministry, we would like to raise up enough money to go on a medical mission trip sometime in the near future.

Thanks again for all your prayers and support, it does not go unnoticed. Thanks and God Bless!

In His Service,
